

Team Capabilities

The BKM PRIME AE SB JV, LLC (BKM PRIME JV) team offers over 20 years of experience collaborating on design and construction projects.

The firms that comprise BKM PRIME JV have a long history of working together. We have collectively completed hundreds of DoD projects in prime/subconsultant and joint venture arrangements. BKM PRIME JV is dedicated to providing prompt and high-quality services that our clients have praised in their reviews of our past performance. Our team has also designed nearly all typical DoD and non-DoD project types including headquarters, operations, training, housing, airfield, industrial, storage, research, administrative, and utilities.
